

## Introduction

Premiers 9pm Apr 3 (<https://youtu.be/hlwqk0pBC58>)

Human Survival requires us to Supercharge Technological Development. Introduced is a new Scientific Method that can cut 100s to 1000s of years of stagnation.

## Truth Means Nothing to Science

Premiers 9pm Apr 10

The Greatest obstacle to Scientific Progress is the illusion that we think we know the truth. Truth can not be proven

## Failure is the only Path Forward

Premiers 9pm Apr 17

Since it is not possible to prove a scientific theory true, the only way forward is to prove everything else false. Need to Optimize for failure to gain the maximum possible progress.
